Foreword

In our progressing civilization a person must have enough initiative to fulfill the challenge of everyday living. Central students were given an opportunity to accept the challenge, recognize it, and proceed to conquer it, when on November 22 the Torch was snatched from the hands of their valiant president. The faculty, the classes, the organizations, the sports, and the student body all co-operated to succeed in making practical use of this opportunity.

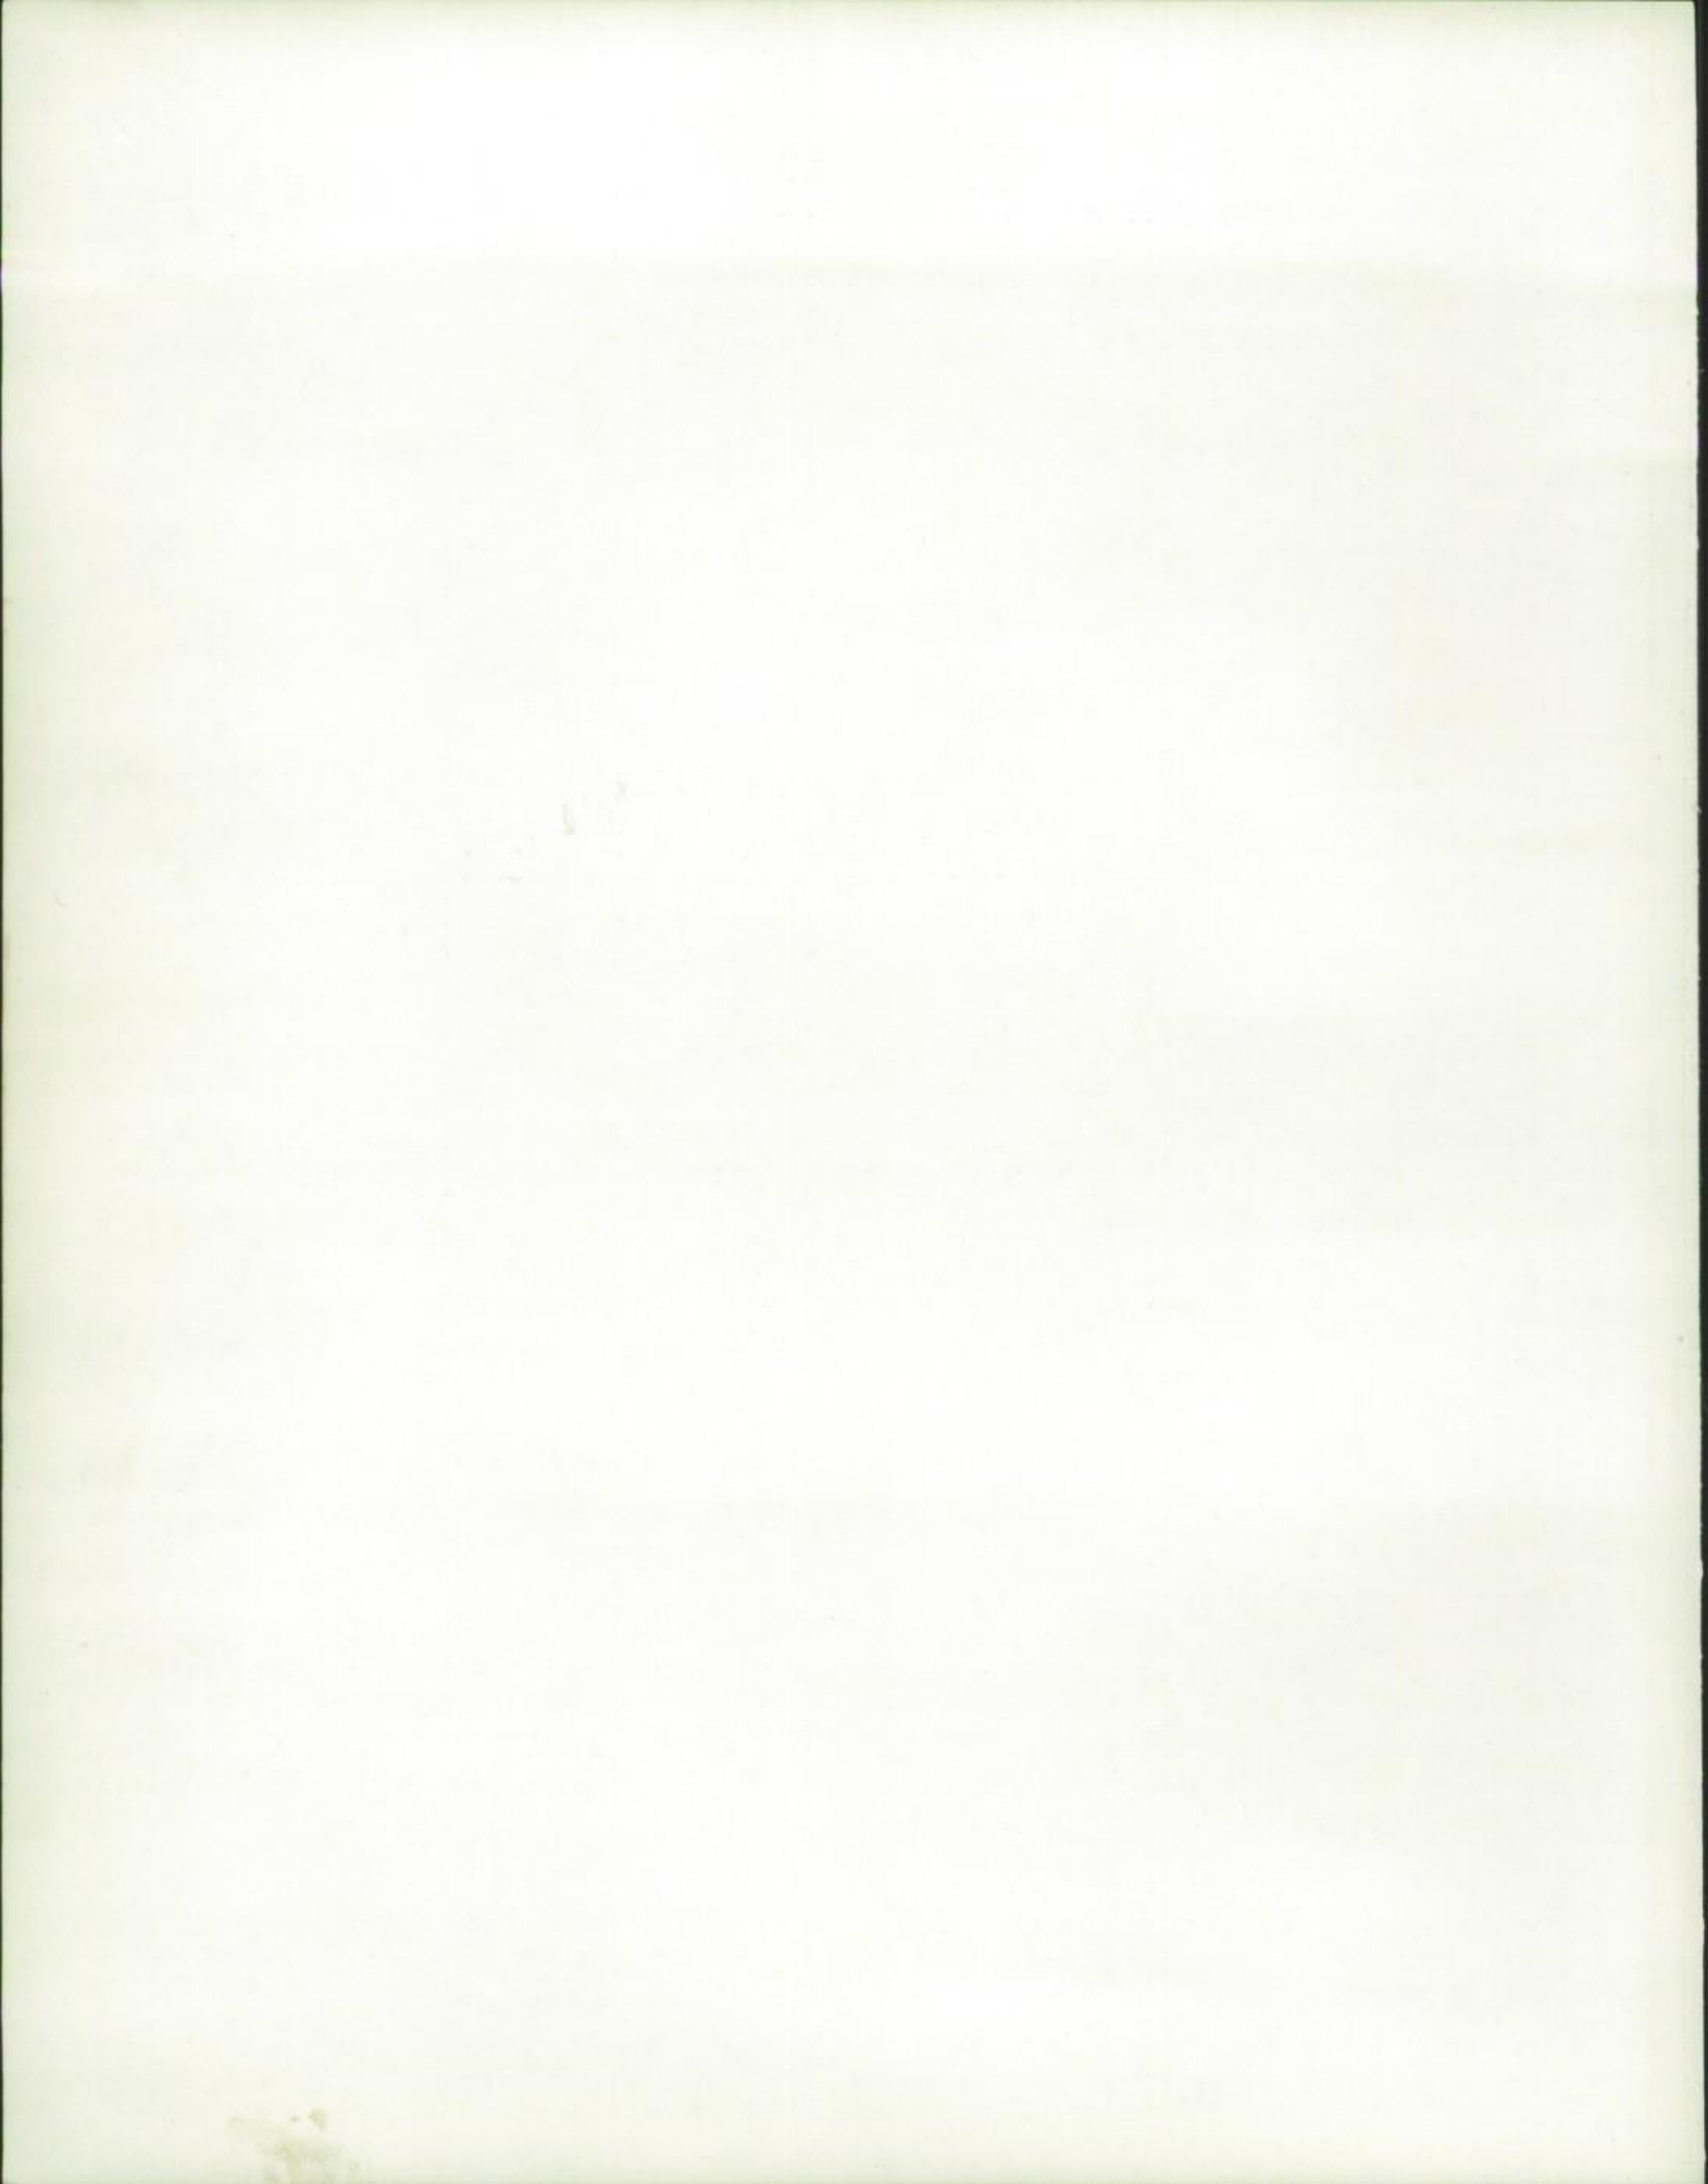

On the following pages we wish to depict just how this procedure was enacted and how it benefits the individual.

He Offered

Dedication

We, the students of Central Catholic High School, dedicate this 1964 Centripetal to the memory of John Fitzgerald Kennedy, beloved president of the United States.

We will try, to the best of our ability, to accept the challenge he gave; to carry the torch he lit; to further the work he began; and to live up to the ideals that he, in such a short time, instilled in the hearts of the people, not only of the United States but all over the world.

The Torch

*Love
Jack.*

35th President of the United States

The Faculty Presented

Administration

Central's faculty assumes the responsibility of passing the torch of knowledge on to those entrusted to them. They enkindle in the student a willingness to make good use of his studies by presenting to him the challenge of learning.

The Torch

Monsignor Harrington points to the challenge as Patricia McKeone, John Lewandowski, Kathy Walters, Paul Pastorek and Mary Dixon contemplate it.

The Student Body

Centralites

*Central students accept the torch of learning and attempt to put their skills
into practice. Once the faculty offers a challenge to the individual,
he assumes the responsibility of doing all he can
to meet the requirements of
that challenge.*

Accepted It

Gerry Rutkowski and Fr. Etzel check the challenge.

Salutatorian

Carol Chechak

Holding the top scholastic average among the senior girls is Carol Chechak, a member of St. Hedwig's Parish, with a 95.54 average.

During her years at Central, Carol has participated in many extra-curricular activities. She was a member of the Biology Club, Latin Club, Math Club, FTA and Chemistry Club, and presently serves as an officer of the Girl's Athletic League.

Ranking as an outstanding student, Carol is a member of the National Honor Society and the Monogram Club and has received several honors such as: a superior rating at the Science Fair Held at Toledo University and an excellent at Bowling Green State University, an award for excellence in Latin and the Math Teacher's Award.

Carol plans to enter the educational field where she will major in mathematics.

Valedictorian

James Liebherr

James Liebherr, who has maintained an average of 97.10, is a member of Good Shepherd Parish. As a Merit Scholarship finalist, he ranks among the top students throughout the country, is a candidate for a National Honor Society Scholarship and is a four year member of the Monogram Club.

Athletics is one of Jim's major activities as his participation in the baseball, football and wrestling teams, including the 1962-63 State Championship football squad shows. As an all-around student, Jim belongs to the St. John Berchman's Society, is president of the Chemistry Club, serves on Student Council and Student Court and was co-chairman of the ticket staff for the school play.

Among the honors Jim has received are awards for excellence in math, for an essay on the handicapped, for excellence in Latin and an Outstanding Engineering Award from the Elks Club.

Jim is interested in mathematics and science and hopes to enter one of these fields after completing college.

The Classes

Subjects

In every class a challenge is presented and it is up to the individual to confront the problem and acknowledge intellectual competition. Only with full-time attention and diligent study can the student honestly say he conquered the challenge.

Absorbed It

The four minute break enables the students to carry the challenge from class to class.

Our Spiritual Development...

Faith, hope, and charity are the keywords in Central's four year **religion** course, where the basic doctrines of the Church are analyzed. Each student is expected to put into practice what he absorbs in class in order to become not only a good Catholic but also a loyal citizen. At the end of the year, all seniors participate in a comprehensive religion examination to determine who will receive the distinguished Bishop's Cross.

"Our Quest for Happiness," the theme of the religion course is divided among the four years. The freshmen learn of "The Creative Dove of God the Father;" the sophomores concentrate on the "Redeeming Love of Christ the Incarnate Son;" the juniors meditate on the "Sanctifying Love of the Holy Ghost;" the seniors study the "Omnipotent Love of the Triune God."

Mass and Holy Communion are offered every morning in the chapel, and on the First Friday of every month adoration of the Blessed Sacrament substitutes for the regular religion class. These services aid in developing the student's spiritual life.

Central's annual **retreat** provides a pause in all student activities so each individual may re-examine his goal in life and how he can successfully attain it. This year these three days were held during January 29-31. To aid in a closer union with God, complete silence was observed. Daily Mass and Communion, Benediction, Stations of the Cross, spiritual reading, prayers, and three lectures a day were on the schedule each student followed. Father Cronin impressed the girls with the importance of being a true Christian in every respect, while Father Callan preached to the boys on the manly virtues.

For the first time in Central's history, the Dominican Fathers, represented by Rev. George H. Callan and Rev. Paul W. Cronin, conducted the annual retreat. Father Cronin impressed the girls with the importance of being a true Christian and emphasized this by outlining the five faces of a hypocrite. Father Callan preached to the boys on the manly virtues and their practical application in the modern world. Through the advice provided by these retreat masters, the students were imbued with a desire to learn and live their christian principles.

Ability to be natural is an asset in public speaking, as demonstrated by Duane Nowak.

Treasury of Words and Expressions

Instruction in the language arts: speaking, writing, reading, and listening is provided in Central's four-year **English** course. The subject matter in written and oral composition is planned to meet the gradual development of the student. Selections are studied in literature which show Catholic thought and tradition, without excluding non-Catholic literary masterpieces. These aspects are designed to develop good literary taste and sound belief and conduct.

In the senior year students may take a course in **public speaking** to develop oral expression and poise. The course centers around persuasion which is the binding principle of our society because everyone has and uses this freedom in our country.

First Stop Paris

Students at Central are given an opportunity to become acquainted with the Eiffel Tower, Notre Dame Cathedral, and the Arc de Triomphe while learning to converse eloquently during the three year **French** course.

In the first year, with the aid of a tape recorder and hi-fi, the students gain recognition of the basic rules of grammar and vocabulary, and as they progress in the second year they apply their knowledge in translating grammatical paragraphs. In the third year they study idioms and translate famous French literature.

Due to the presence of many French words found in recipes, cliché expressions, and customs, the student with a background in French can better appreciate the American culture.

On To Madrid

Spanish is the language of our neighbors to the south, and what better way is there to promote good international relations than by learning their language. The student who includes Spanish in his curriculum has chosen a language which may lead to a career as an interpreter, teacher, foreign diplomat, or any one of many fields which call for the use of Spanish.

The student first learns the grammar of the language. During this time he is drilled in order to acquire fluency with correct pronunciation and intonation. Dialogues, narrations, descriptions are included in each lesson. Comprehension is tested by answering questions asked about the paragraphs, and by conversation with the class.

After sufficient grammar is learned and the student has attained a well-rounded vocabulary he begins to read about the people whose language he has learned. This study is, of course, in Spanish and provides the student with further drill. The history of both Spain and South America, the people who made it history, the literature, and the cultures and customs are all thoroughly covered. On completing the course, the student who has taken advantage of its every opportunity finds his mind nourished and refreshed.

All Aboard For Berlin

"Sprechen Sic Deutsch" is a phrase familiar to any student who has participated in the three year **German** course. By means of research, a knowledge of the development of the German language through the year is acquired, while extensive reading of the lives of the old authors and composers of the Fatherland present the important part Germany has played in Western civilization.

Basic rules, vocabulary, and pronunciation are the main phases covered in the first year. During this time the language is thoroughly analyzed and becomes an exacting science. Before completing the second semester most of the students are able to understand and speak German in a simplified form.

The geography of the country, the life and customs of its people and their music, arts, and recreation are considered in the second and third year courses. Emphasis is not only on Modern German as an art, but also on the appreciation of the spirit and culture of the German people.

Finally, Historic Rome

Approximately fifty percent of the English language was originally derived from basic Latin. Consequently such words as nomenclator and polaristrobometer do not scare the Latin student for he is able to dissect puzzling words with Latin roots and translate them into English. This is an indispensable asset in the study of medicine, law, and music.

Central offers a comprehensive four year **Latin** course which presents an opportunity to develop a treasury of Roman history besides mastering this foundation language. The freshmen students are kept busy reciting declensions and learning vocabulary words thus grasping the fundamentals of the language. The second year students translate the Gallic Wars of Caesar and memorize short Christian Latin selections. As juniors, the students study the Orations of Cicero together with selections from the Fathers of the Church, Holy Scripture, and hymns and prayers of the Church. Seniors learn to converse in Latin and translate the traditional classical works and the *Historiae Sacrae Epitome*.

The annual National Auxilium Latinum test, given by the Association for the Promotion of the study of Latin, is administered to Latin students to determine their standing among all Latin scholars in the nation.

Motivation Through Imagination

The boy's art department offers an excellent four-year course in the theory of color, pen and ink techniques, and principles of design applied to problems in Commercial Art. Various media offered are pastels, water color, charcoal, and oil painting. Students are taught leatherwork, woodcarving, ceramics, and weaving.

The philosophy of the girl's art department is based on the fact that "Everyone should use head, heart, and hands to make well things that need to be made." Emphasizing womanhood and the arts of Christian family life, all activities are motivated by service to God, fellow creature, and self. Fundamental traditional techniques in calli-

graphy, drawing, painting, and crafts are supplemented by the functional contemporary approach wherever possible.

In addition to their regular classwork, students participate in extra-curricular activities. They aid the school in various ways: such as, providing posters to arouse spirit of the students for athletic endeavors, supplying advertisement for school dances, and dramatic and musical productions.

For the first time in 30 years an art class of boys and girls has been instituted. Sixteen boys and eight girls, all first year students, combine their interests to make an enjoyable class. They started with line drawing, which led to sketching, from sketching to the drawing of trees, and from tree drawing to the colorfulness of the outdoors.

As Frazene Gladieux plays "Home on the Range," Madeline Girardi and Carol Niewiandowski point out the site.

Mechanical draftsmen work hard at their tasks.

Finding the unknown is the problem undertaken by Robert Latorre.

The role of science in the world today is ever growing. Without the help of mathematics, communication in this field would be impossible. First year **algebra** students express arithmetic rules in symbols and verbal statements in letters. **Geometry** students study figures which can be drawn in one plane, such as, triangles, squares, trapezoids, and circles. Most of the work consists in discovering new truths from those already known.

Upperclassmen may take a course in **advanced algebra**, which introduces logarithms, the use of the slide rule, binomial theorem, higher equations, progressions, determinants, and the elementary theorem of equations. The scope of the work in **trigonometry** includes the practical side of the subject, the solution of triangles, and the analytical phase of it. The latter plays an important part in the field of mathematical analysis and is therefore stressed as much as the practical side.

After three years in the **drafting** department, students are adequately prepared either to apply their talent in a drafting office or to continue their studies in college. The first-year course comprises projection, descriptive geometry, and various types of perspective. Machine detail, gearing, and the use of the slide rule is taught in the second year. The third-year draftsmen detail and assemble a project of large proportions.

A visible geometric construction aids the student in clear thinking.

A Search for Understanding

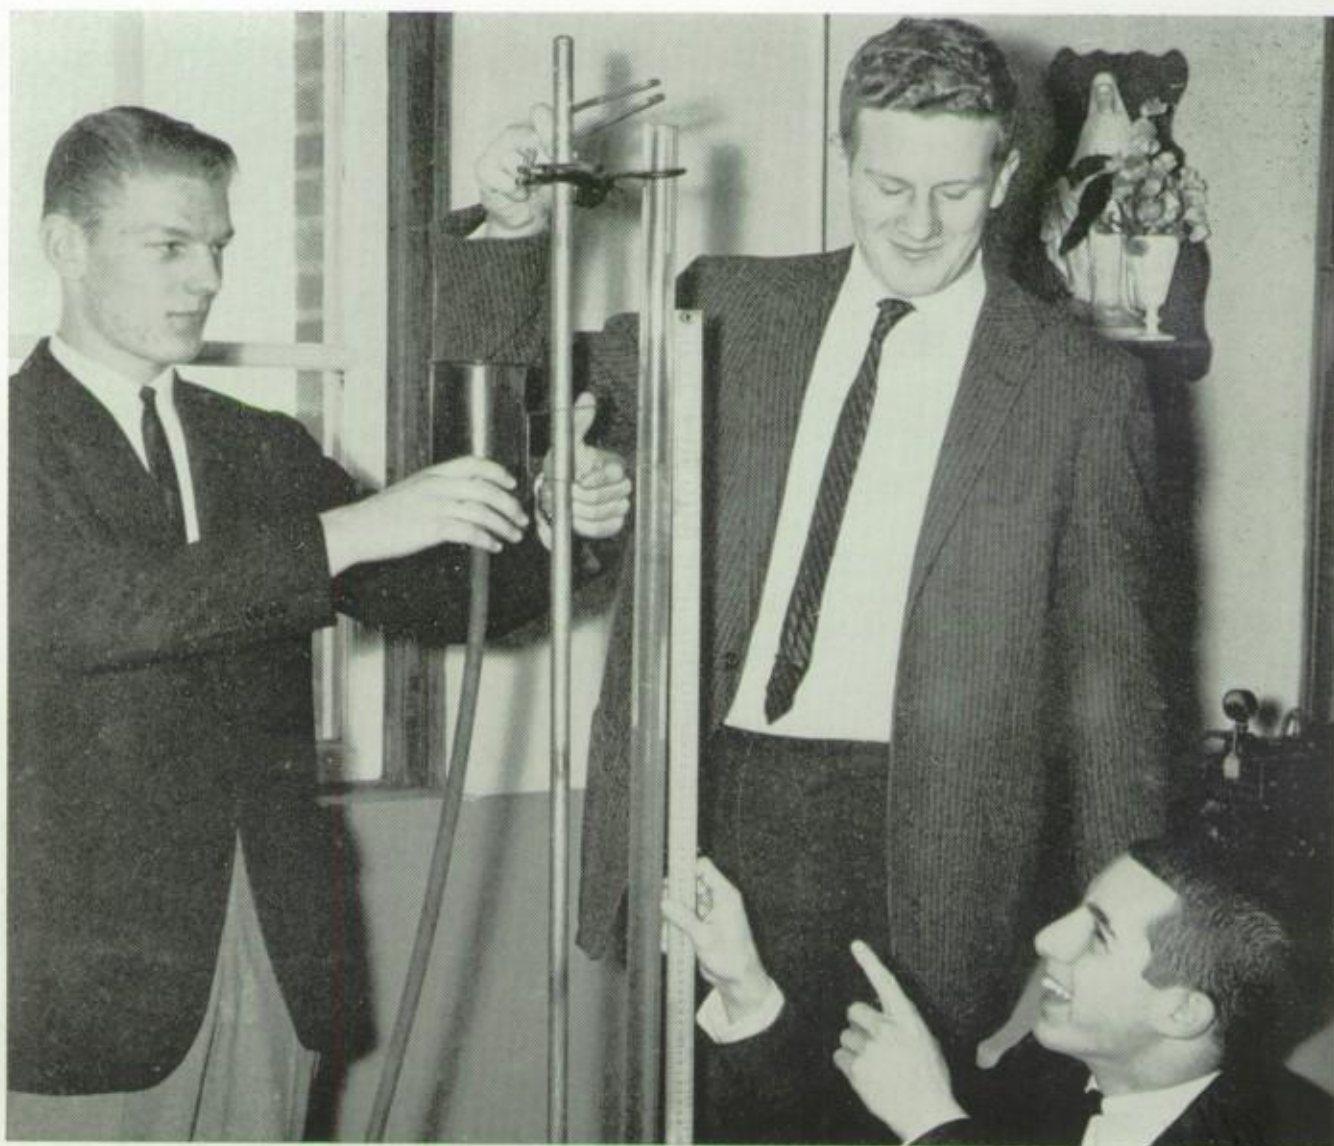

In this scientific age of rapid progress few can keep abreast in every field of science. In order to maintain a well-informed student body and at the same time fulfill the state science requirement, Central offers three subjects for junior and senior years: Chemistry, physics, and physical science.

The study of **chemistry** is based on two laws and two theories: 1) the law of the conservation of energy, 2) the law of the conservation of matter, 3) the electron theory, 4) the theory of ionization. Students learn of the phenomena of chemical reactions not only from the text book, but also by practical experience, that is, actual laboratory experiments performed by the student himself.

Physics, a basic science, deals with matter and energy-mechanics, heat, electricity, sound, and light. By taking this course, the student is assured of an answer to his questions of "How does this work?", "Why did that change occur?" As in chemistry, he uses practical examples as a clue to these answers.

Those wishing a good foundation in the elementary sciences may find **physical science** interesting. The main topics covered are chemistry, physics, astronomy, geology, and meteorology.

By using special apparatus Jeff Smolenski, Tom Biniak, and Mike Essi determine the pitch and frequency of sound.

Experimenting helps Mike Greenen, Mike Bohnett, and Mary Ann Szelagowski understand the chemical properties of compounds.

Jeff Hellrung and John Rosner demonstrate how a gieger counter finds radioactive particles in substances.

In physical science, Donna Magrum and Tom Zimmerman explain the procedure used in making compounds.

Man and His Environment

creation

Besides biology, which fulfills the state science requirement, students may take general science in their freshman year and physiology in their junior or senior year.

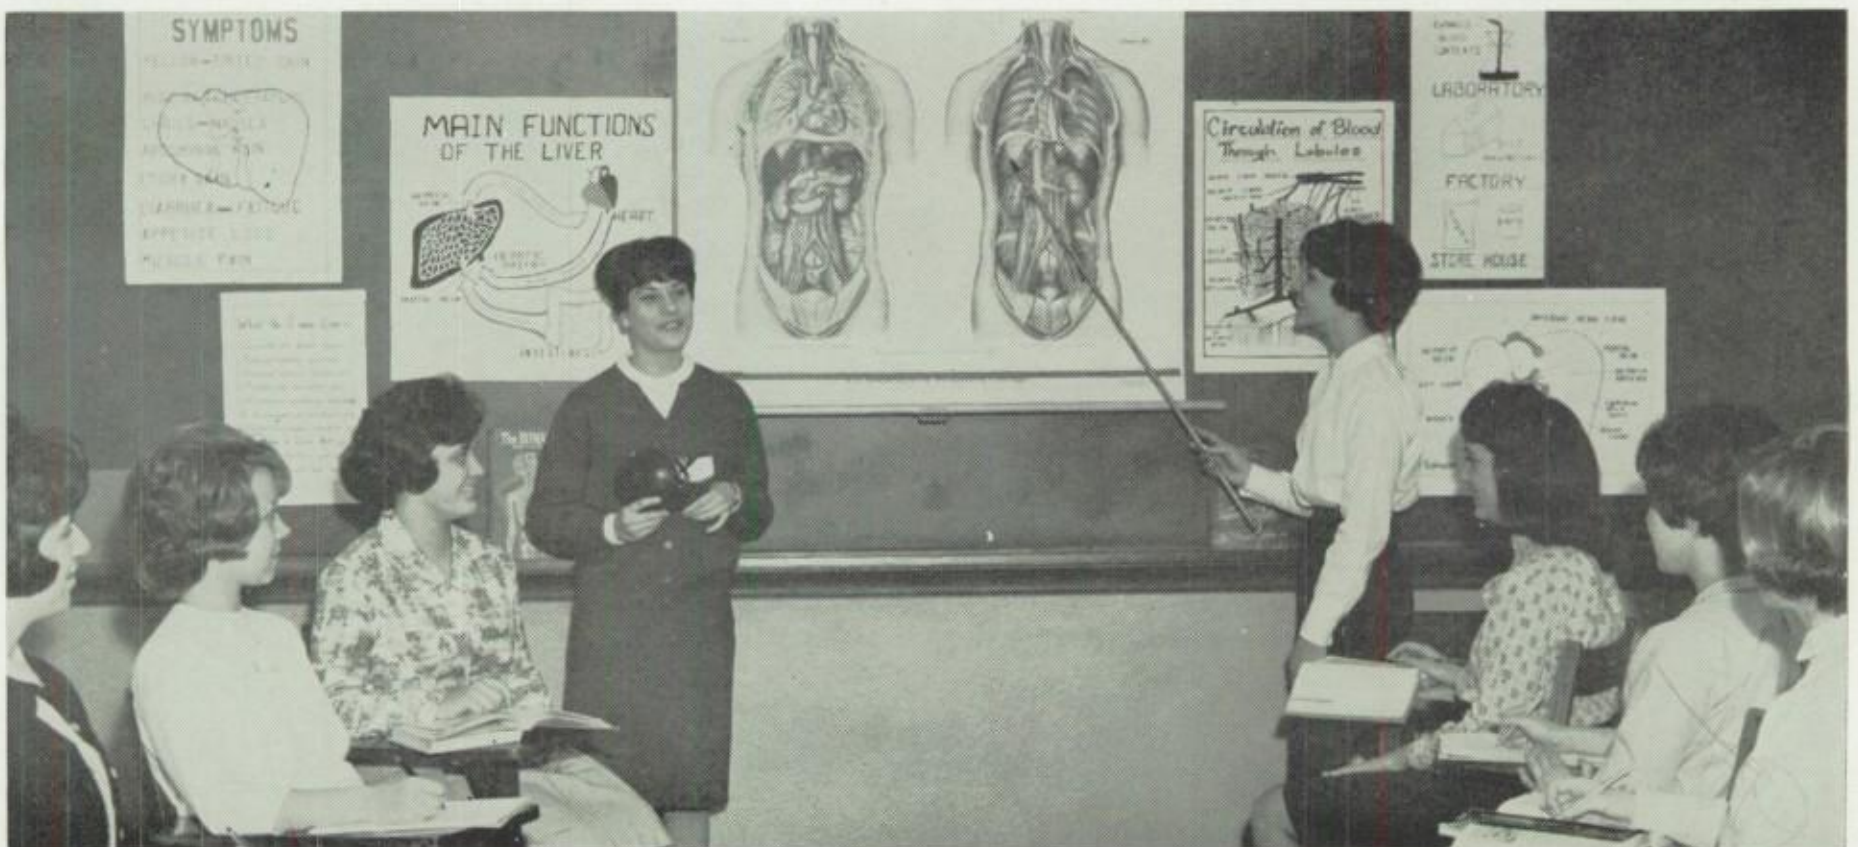

Biology manifests to the student his relationship with things about him. The course begins with the analysis of the primitive form of life on earth, the plant, and continues with the more complicated forms of plant and animal life. Ending the course is the intricate study of the most complex beings—man.

Those parts of a student's environment which most closely affect his daily life are studied in **general science**. Students are given a sound knowledge of the physical things around them such as the air, water, and sun. Physics, chemistry, and biology are introduced in the course to develop an interest in the scientific field.

Through **physiology** the student becomes acquainted with the basic principles of health as applied to daily life. The body's composition and functions are explained to enable the student to live a healthy and happy life. This course offers valuable experience for the future doctor, nurse, dietician, and home economist.

Astronomy is one of the topics presented in general science. Here, Gordon Parent and Tom Schick deliver a speech on the solar system.

Mary Ann Kubicki explains the main functions of the liver to Sandy Horvath, Sue Kaczmarek, Mary Jo McGuire, Kathy Corcoran, Pat Cray, and Linda Eggleston, while Diane Niezgoda interprets them on the chart.

Pam Koehler volunteers to record the beginning balance sheet in bookkeeping.

Re-enacting court scenes helps students to understand the principles of law. Left to right: Jim Rains, Tom Weaver, Jim Nally, Pam Koehler, Mike Simon.

The commercial department's aim is the training of students to meet the requirements of neatness, speed, and accuracy demanded by the modern business world which will secure for him financial independence in later life.

In first year **typing** classes the students concentrate on mastering the keyboard and maintaining an increasing speed with a high degree of accuracy. Speed building and application of it to actual office operations is stressed in second-year study.

Skills gained in the two-year **shorthand** course enable students to take dictation rapidly and accurately.

Students acquire a working knowledge of office machines, and correct methods of filing and operating a smooth-running office in **office practice**. **Bookkeeping** acquaints students with the proper business transactions.

Commercial law demonstrates how business and law are connected in the everyday world.

Economic Independence

Sharon Klonowski, Jean Kromenacher, Judy Jacobs, Ginny High, Marcia Kolasinski, Kathy McCrosky, Pat Lopinski, Pat Huber, Sandy Kovach, and Linda Markis learn to operate the business machines.

Mary Krakau, Gus Costanzo, and Nancy Kaifas learn to distinguish the different phases of music.

Treasury Of Melody

In the **music appreciation** classes students secure an understanding of the aesthetic qualities of melody by becoming familiar with all types and forms of music, and the history of the period during which it was composed. This course broadens the student's interest in all forms of music, from the latest popular recordings to grand opera and the symphony.

Homemaking Skills

Food, clothing, and shelter are man's basic needs, but how to prepare the food, sew and mend clothes, and plan the color scheme of the home are also important. These are a few of the things learned in **home economics**, whereby a girl can best prepare herself for a future role as housewife and homemaker.

Displaying the essentials of good interior design in the home are Mary Hawk, Pam Lininger and Christine Knack.

Central students make use of the many books and references that the library has to offer.

Room Of Knowledge

Every Centralite eventually climaxes his pursuit of knowledge by seeking room 212—the library. Here a student can find references on anything from the complex deoxyribonucleic acid to the analysis of the automobile. Besides the indispensable encyclopedias, dictionaries, and magazines, the library has ample material for any of varied subjects.

Joan Walsh demonstrates to the home economics class the importance of choosing the proper detergent.

Mary Wirtz makes use of the research department in the library while working on her junior essay.

The pyramid formation is illustrated by the girl's gym class.

The two-year requirement of the state for physical education is attained by Central's boys' and girls' gym classes. The girl's gym classes, under the direction of Mrs. Kulwicki and Miss Krompak, aim at enabling every girl to become physically fit by playing various relay games and doing calisthenics. These classes teach cooperation through group activities such as volleyball, kick ball, deck tennis, and basketball.

Mr. Benedict and Mr. Cordiak supervise the boy's Physical education Department which stresses the improvement of general health, body mechanics, performance in skills, and body contour. These boys participate in calisthenics, touch football, basketball, tumbling, weight-training, volleyball, track and field, softball, gymnastics, fitness testing, and agility drilling throughout the year.

Physical Fitness in Progress

Boy's gym classes stress physical fitness by mastering strenuous exercises.

Michael Bauer gets assistance from the school nurse, Mrs. Wroe, R. N.

All Centralites are secure in knowing a registered nurse can be found in the school where aches, pains, or "real sicknesses" occur. This woman is Mrs. L. Wroe, who can be found in Room 224 at any time during the busy school day. Often she is in affiliation with Sr. Cleopha, O.S.F. to keep the students in their classroom.

During the course of the year, almost every student enters the attendance office which is under the direction of Sr. Cleopha O.S.F. If a student has been absent and his excuse is accepted, he receives a white admittance slip. If he is tardy he receives a pink slip, and if he was absent and his excuse is not accepted he receives a blue slip, sending him to penalty hall.

Central's office staff includes a registrar, office clerk, a switchboard operator, a secretary, and a business manager. These workers are an intricate part of the school and are responsible for answering the phone, recording grades and payments on tuition, and mailing letters and report cards at the end of the semester.

Keeping the Records Straight

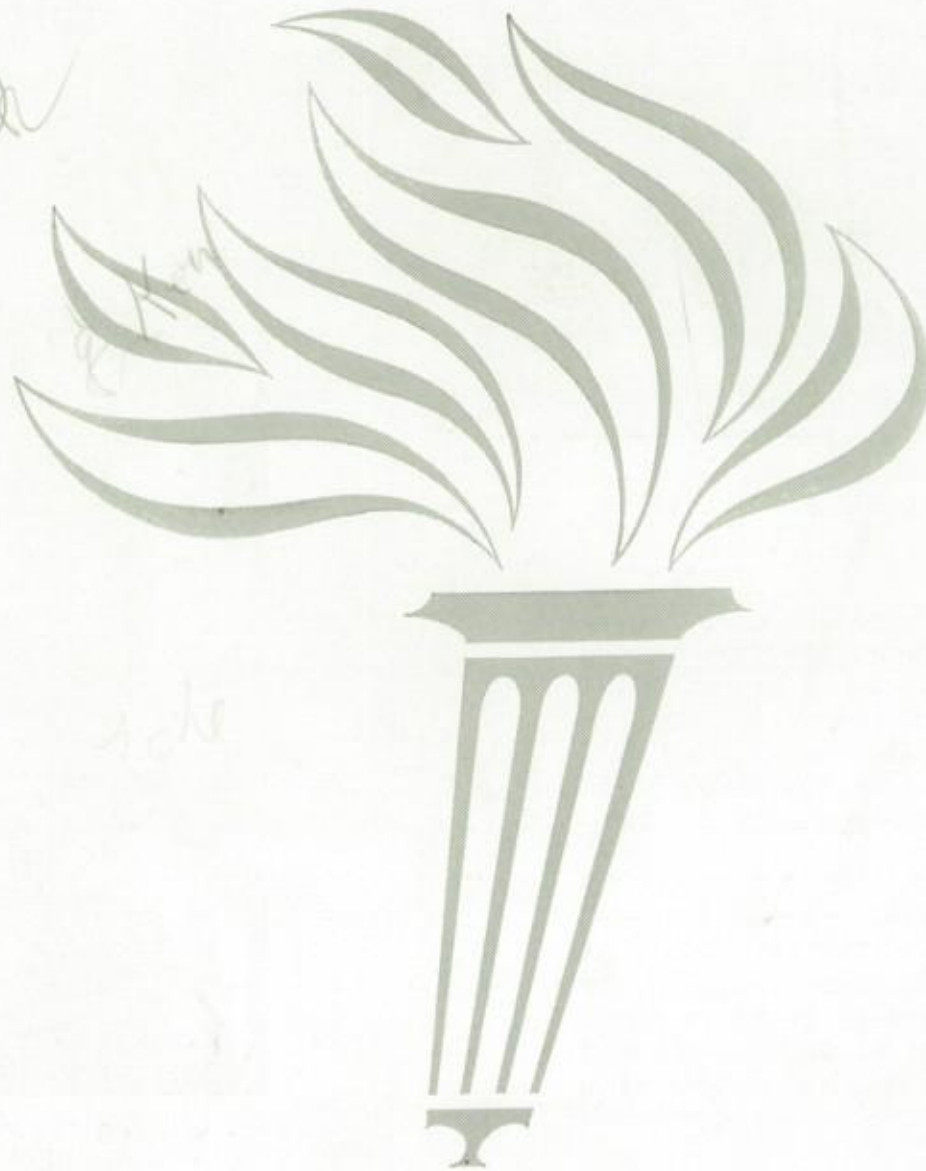

Sr. Cleopha O.S.F. begins a busy day of checking absentee excuses.

Mr. V. Fischer, Miss R. Fackelman, Miss M. Radecki, and Miss L. McCarthy assume the duties of the office staff.

All-City Choices

Seven of Central's football players were selected for the All-City teams. This year, because of the expansion of the league to ten teams, there were three offensive and defensive units instead of two as in previous years.

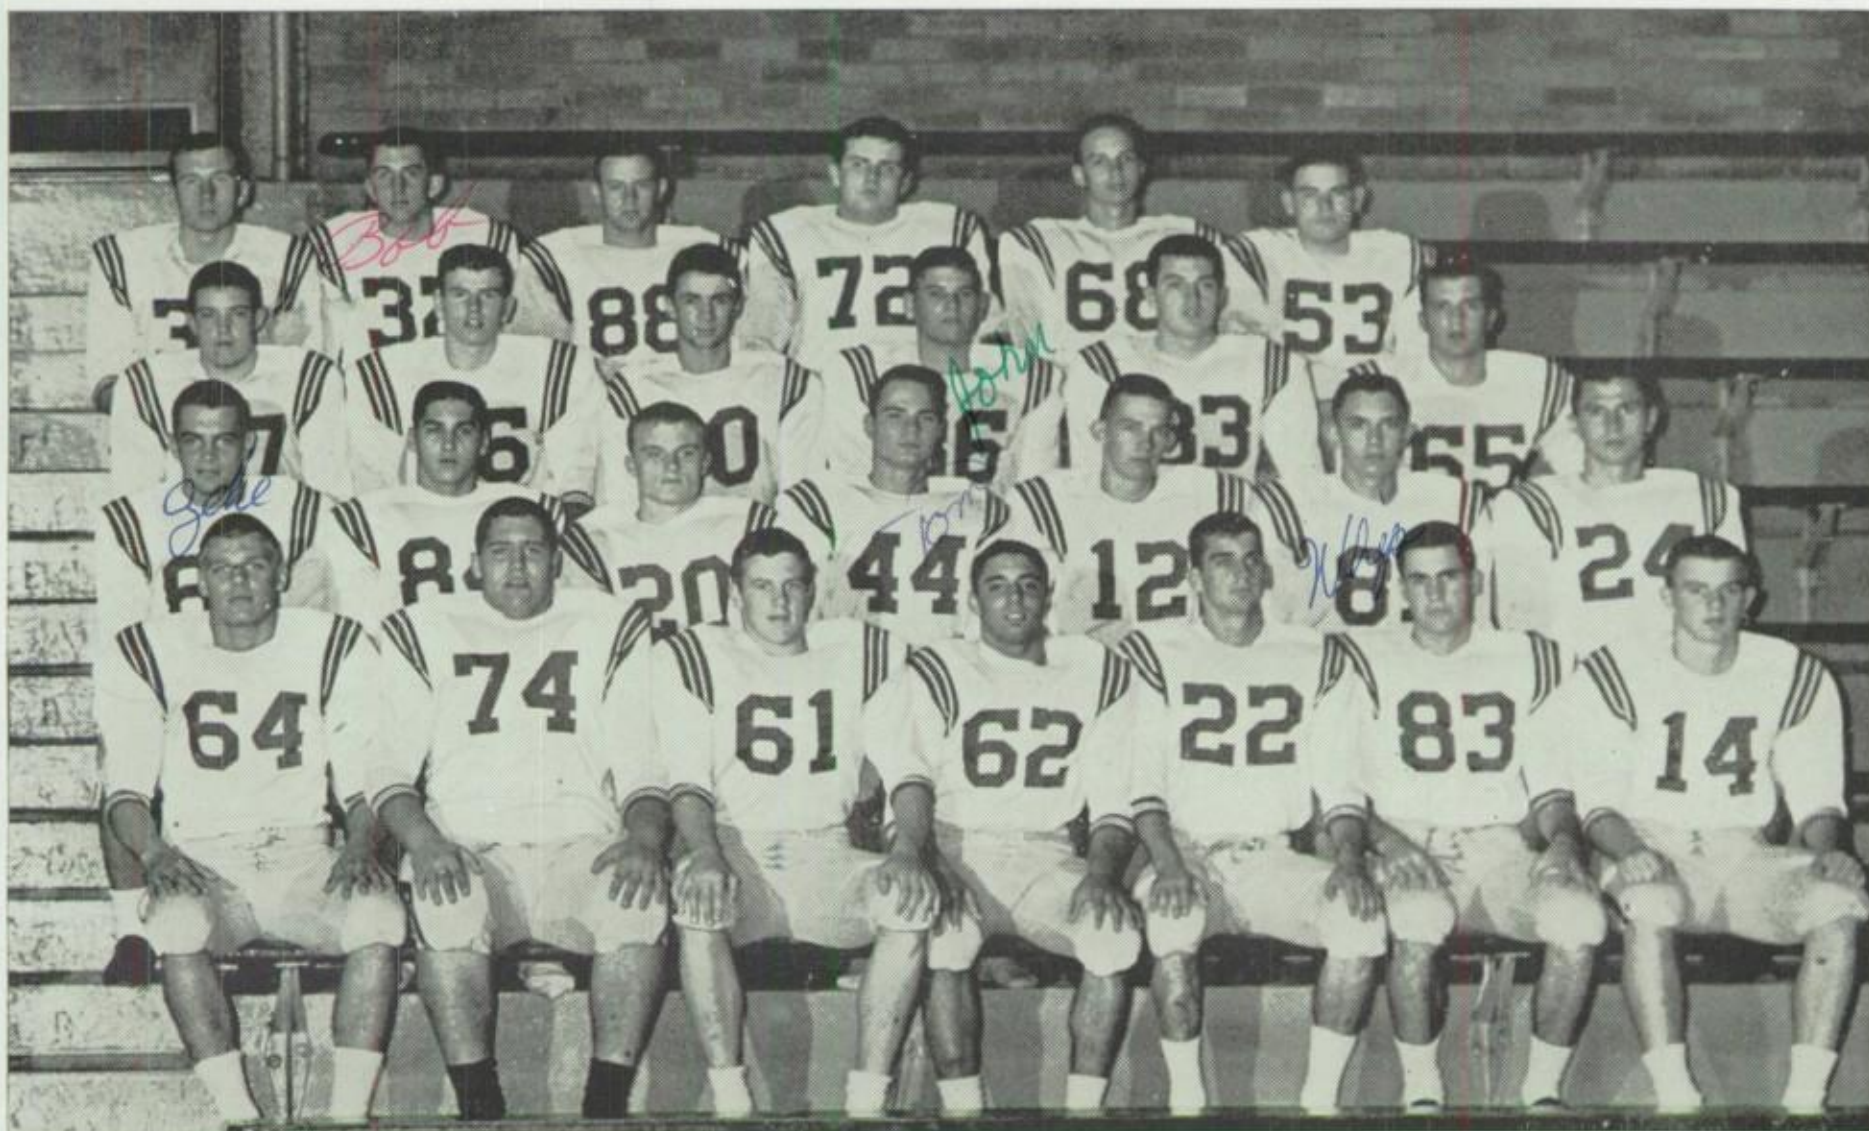

Selected for the first team defensive unit were Paul Krasula, Junior Carone, (who was also selected for the third team defensive on the All-Ohio team), and Dave Scorziell. Named to the second team offensive were Jim Amstutz, Tom Beutler, and co-captain Dick Gralak. On the third team defensive unit, was Jerry Krall. Receiving honorable mention were Steve Chromik, tackle; co-captain Rod Szydowski, guard; and Tony Deiger, halfback.

Irish" Football Squad

Central's "Fighting Irish" football squad, once again favored to regain the City League Title, took the field on September 13 against Dayton-Belmont for their first game. But the loss of many lettermen proved too much for the team

to overcome. With this handicap the team managed to overcome Start and, displaying fine school spirit, they kept the Irish Knight by tying St. Francis in a no-score game.

James Cordiak

Mr. Cordiak has been line coach for three years here at Central. He is also baseball coach and director of physical education. His baseball teams have won three consecutive City Championships. Mr. Cordiak has been named head football coach for the coming year.

Showing all the fire of his Irish ancestry, Mr. Dever has proved to be well qualified in guiding the "Fighting Irish" athletic program. Without his added encouragement, Central would have been at a great loss during the football and basketball seasons this year.

Tim Dever

Power

Mr. Lewis has been a football coach at Central for 4 years, leading his freshman squad to two championships in 1960 and 1961. In 1962 and again this year, he has coached the Varsity backfield. This year also marked his appointment as head basketball coach.

Don Lewis

Tom McHugh

Tom McHugh, head football coach, finished his eighth and last season at Central this year. During these years, his teams have compiled a record of 51 wins, 23 losses, and 4 ties. His teams have never ended below third place in the City League. His greatest year was 1962, when his team was rated number 1 in Ohio and he was named Coach of the Year in Ohio.

Behind

Ken "Buz" Fournier

Mr. Fournier returns to Central, his Alma Mater, as head track coach and assistant backfield coach in football. While at Central he captained the football and basketball teams and was a member of the track team. In football, he was named to the All-City team for two years and to the All-State team his senior year.

He played football at Indiana and graduated with a B.S. Degree in 1962 and earned his M.S. Degree in 1963.

Mr. Benedict is in his first year on the Central coaching staff. He is assistant line coach. While at Lincoln High School in Midland, Pennsylvania, he was named to the All-County team in football and baseball. He lettered twice as a center in football at the University of Toledo where he received his B.A. Degree in August, 1963.

Pete Benedict

Teams

Mr. Westenkirchner is in his second year on the Central Varsity football coaching staff as assistant line coach. He has played pro football for the Los Angeles Rams and his coaching experience includes three years as head coach of semi-pro football teams.

Joe Westenkirchner

Dan Piloseno

Since 1954, when Mr. Piloseno joined Central's faculty, he has done an excellent job, especially with the wrestling team. His duties since arriving here at Central have been that of a physical education director, bowling coach, intramural director, and guidance counselor.

Basketball

The 1964 "Fighting Irish" basketball team showed their fine spirit and desire as they compiled an over-all mark of ten wins and eight defeats. They also finished second in this year's exceptionally tough city league.

In his first year as head basketball coach, **Mr. Don Lewis** did an outstanding job, proving that he has the capabilities and the potential of being one of the best basketball coaches ever to work at Central. We can look forward to many fine years with this young coach.

With a number of underclassmen on this year's team, we can be sure of having our boys challenging for the city title next year. The experience which they have gained this year should prove to be of much assistance in future seasons.

Mind, Muscle on the Mats

Central's Mad Mat Men, led by co-captains Joe Scalzo, 138 lbs., and Mike McGrath, 133 lbs. and seniors Jim Okapal, 127 lbs. and Jim Leibherr, 165 lbs., nearly capped the City Crown losing only to the Ohio State Champions.

Including this year's 7-2 record, the mighty matmen of C.C.H.S. have compiled a record of 80 wins against 18 defeats in seven years of competition.

If next year's team can replace M.V.P. Joe Scalzo, undefeated Mike McGrath, mighty Jim Okapal and talented Jim Leibherr, it should make a good showing in the City League. With eight returning lettermen they should also bring Mr. Piloseno's dream of a State Championship much closer.

"Although we went against some great teams with many of our men injured our great school spirit and determination always brought us through and our team will always be a credit to Central."

Coach Cordiak Looks Forward To Fourth Straight City League Title

With the help of good spring weather, Central's baseball team was off to a flying start. Two weeks before the start of the season, wet, cool weather bogged down practices and forced cancellation of the team's first few games. Even though they were hampered by bad weather and the loss of many lettermen due to graduation, their coach, Mr. Jim Cordiak, expects them to again capture the City League championship.

This is Mr. Cordiak's final year as baseball coach at Central and his fine teams have swept the City League titles since he became coach in 1960.

Returning senior lettermen, Jim Liebherr, Tom Weaver, Tom Henzler, and co-captains Dan Schick and Junior Carone, will work with the "rookies" who hope to make the squad this year.

Under New Coach . . . Track Team Works To Capacity

A month before track season officially opened, Central's thinclads could be seen going through vigorous work-outs after school. Whether it rained, snowed, or the temperature made for cool weather, the track men were hard at work. Their hard work will pay off when they meet their tough opponents in the city league. With past experience as an

Irish track man, Mr. Fournier should prove to be a valuable coach.

Central's Morphy team, led by seniors Steve Hayden, John Lewandowski, and Ken Stein, finished first in the City league in their division with a perfect 10-0 record. The Marshall team finished fourth in their division with a $7\frac{1}{2}$ - $3\frac{1}{2}$ record. Bob Beckham was the only player to go undefeated in both league and tournament play.

Dancin' Irish Brighten Halftime Shows

Under the direction of Mrs. Fox and with the hard work of the dancers, many entertaining shows were viewed at the football games. The girls were also an added attraction at two of the basketball games.

Rehearsing for these events begins in the second week of July. All dance routines are

planned by Mrs. Fox and the dancers. Practice and a considerable amount of time is put into each dance. When school begins in September, the girls rehearse every night until 5 p.m. Their costumes are styled and made by the girls themselves.

The "Dancin' Irish" were also a featured attraction to the student body in school assemblies.

GAL Offers Girls A Chance To Show Athletic Ability

Originated in 1930, the GAL, or the Girl's Athletic League, aims to promote sportsmanship, leadership, and athletic ability in its members. Through the GAL program the girls are taught lessons in teamwork and co-operation; thus preparing them to live more harmoniously with their community in their future years. Accompanying these lessons is the glow of pride for victories well earned.

The GAL program, which is under the direction of Miss Frances Krompak and Mrs. Carl Kulwicki, includes bowling, tennis, swimming, ice skating and roller skating. Membership in

the GAL is open to all girls at Central.

In addition to directing the GAL, Miss Krompak and Mrs. Kulwicki are instructors for all the girls gym classes. Volleyball, basketball, shuffleboard and hit-pin baseball, as well as movies, are included in physical education classes.

At the end of each year, letters and other awards are presented at the annual athletic banquet, which is sponsored by the GAL. The main event of the banquet is the presentation of the All-Around Trophy to the girl who has been selected as the most deserving.

The Organizations

Activities

Preparing for living in the world is perhaps the greatest challenge of all.

*Through the clubs and school activities a student is able to
develop his leadership and co-operation among
his fellow students through
association.*

Directed It

The torch, signifying justice, is undertaken by Bill Poznanski as he defends the case of Janice Frankevic to the judges: Jim Liebherr, Lucy Schuman, Jim Mizerny. Chuck Duck, commissioner of justice, and Nancy Kaifas, clerk of courts, check on the defense.

Student Council officers presiding over meeting are from left to right: M. Shriner, Vice President; M. Robakowski, Secretary; P. Pastorek, President; and N. Heil, Treasurer.

The Student Council under the direction of Sr. Louann, S.N.D., and Mr. Tim Dever is the governmental body of the school. Since the Student Council acts as the official voice of the Student Body, each student is guaranteed the privilege of participating in its activities.

Assisting the Student Council officers are the commissioners, the class officers, the senators, and the conference room representatives. Many of the activities promoted

Centripetal Dons New Look

During the years there have been many improvements in the Centripetal. Covers have changed from paperbacks to padded to hard. Pictures have improved in size, shape, quality, and quantity.

The staff felt that 1964 was ideal for another major change. The height and width of the book has been enlarged, which enabled the staff to increase the size of the senior and underclass pictures and to include more candid shots.

After successful ad and patron drives the real work began on the book. Color, theme, and dedication were decided, setups were arranged, and copy was written and proofread. Finally the book was sent to the printer and the subscription drive began.

Now the job is finished and the staff presents the 1964 Centripetal to you. May it bring to you fond memories of this school year at Central.

Editing of School Paper the Task of Centric Staff

Squeak, Roving Reporter, Box 312, Alumni Album, Dear Editor, and Irish Idylls are just a few of the many interesting and informative features found in our school paper. The Centric is edited by the second and third period journalism classes. With the help of Sr. M. Grace O.S.U., the students experience the responsibilities it entails to meet a deadline.

The publications of the Centric are financed by student subscriptions and solicited advertisements. Since 1920 it has presented an account of all student and school activities. The Centric of 1964 has lived up to the tradition set many years ago.

School's Patron Inspires All Spiritual Activities

Students at Central usually succeed in all their endeavors, including their organized crusade to help the Church.

The Eucharistic Marian Committee, moderated by Sr. M. Alice, O.S.F., is an organization whose purpose is to develop loyalty and devotion to Our Divine Savior and to His Blessed Mother. The committee is composed of one representative from every conference room. This gives unity and total representation. Meetings are held every month under the direction of a class moderator.

The May Convocation is one of the highlights in the activities of the Eucharistic Marian group.

The Christian Students Mission Crusade under the direction of Sr. Jean Francis, S.N.D., holds monthly meetings to promote the activities of the Missions.

This organization sponsors the Christmas card sale, Santa's Post Office, the collection of cancelled stamps, and the gathering of medicine for foreign missions and Christmas baskets for the poor.

The St. John Berchman's Society under the supervision of Sr. M. Louis, S.N.D. is an organization whose prime purpose is to promote religious vocations among the boys. Members also have the privilege of serving at Mass each morning in Chapel and during the annual retreat.

Other activities include recitation of the Stations every lunch period during Lent and participation in the May Convocation.

Preparing to assist the priest at Benediction are members of the St. John Berchman Society: P. McCarthy, R. Soncrant, D. Connors, P. Krasula, and C. Duck.

Stamp sorting students of the C.S.M.C are seated left to right: M. Jaworski, M. Bauer, M. Sheroian, R. Leonhardt, J. Topolski, and standing L. Cerrone.

Art Clubs Raise Standards of Art Appreciation

The **St. Hilda Guild**, under the direction of Sr. M. Joanne S.N.D., consists of all the members of the girls' art classes. It has for its prime purpose the care of the school chapel. The members are divided into these groups: Apprentices (first year students) whose duties are the upkeep of the sacristy and taking care of the altar and sanctuary after Mass, Journeymen (second year students) who care for the vigil stands, candles and side altars, Masters (third and fourth year students) who lay out the priests vestments and prepare them for the Mass. They also have charge of preparations for Benediction, First Fridays and Retreat.

The **Art Apostolate Guild** consists of members of sophomore, junior, and senior girls art classes. Their chief duties are: to spread the spirit of Christ through art.

These girls block print Christmas cards for the members of the faculty every year. Their work is often displayed in the art case outside of Room 205. These talented girls are under the supervision of Sr. M. Joanne.

Central's unit of the **Catholic Art Apostolate** was organized in 1950. The Boys' C.A.A. is directed by Sr. M. Lucilla R.S.M. Membership is opened to all members of the boys art classes. Meetings are held regularly in Room 4. These boys strive to receive the principles of Christian art. One of the activities included a trip to the Toledo Art Museum.

Girls' Catholic Art Apostolate under the direction of Sr. M. Joanne, hold their meetings in Room 205. The club's main purpose is to raise the standard of art appreciation among Catholics.

Academic Study

The president of the Spanish Club, M. Salina explains about Don Quixote to D. Palka, M. Nargas, and J. Seguin.

A greater intelligence of the functions of science found in every day life, is the main purpose of the **Biology Club** moderated by Sr. M. Blandina O.S.F.

The **Junior Council on World Affairs**, under the auspices of Sr. Mary of Mercy R.S.M., discuss the current problems of the world today.

With the help of Sr. M. Alice O.S.F., the **Latin Club** instills the importance of the ancient language in the minds of the students.

The main interests of the **French Club** under the guidance of Sr. M. Giovanni S.N.D., is the study of the language, customs, and spirit of the French people.

The **Spanish Club**, under the direction of Sr. M. de Lourdes O.S.U., promotes to its members an interest in Spanish culture.

The **German Club** supervised by Sr. M. Adolf S.N.D., acquaints members with the problems confronting Germany today.

The president of the German Club, James Dyko, presides over a discussion of German culture, while seated: R. Ichrist, E. Samsel, and T. Czelusta listen with interest.

Interests Towards The Future

Students at Central contemplating their careers have the opportunity to join the five clubs dealing with their particular avocation.

Members of the **Library Club**, under the direction of Sr. M. David O.S.U., prepare for their future by working in the school library. This work gives them experience in library techniques such as: locating books and magazines, cataloging, and filing date due cards.

The **Camera Club**, with Sr. Lucilla R.S.M. as moderator, advances the study of photography. The members discuss the mechanism of the camera, the composition and techniques in printing, and the development and enlargement of pictures.

Becoming licensed amateur radio operators is the goal of the members of the **Radio Club**. Future ham operators prepare for their career through instructions in radio code and theory given to them by Sr. M. Teresita O.S.F., their moderator.

Acquainting themselves in the various fields of education is just one of the many activities of the **Future Teachers of America**. This club, under the direction of Sr. M. Clarisena R.S.M., is open to girls planning careers in teaching.

Future Nurses of America, under the guidance of Sr. M. Ambrose R.S.M., prepare girls for future careers in the medical field. Hospital tours and talks by guest speakers, who are affiliated with the different branches of the medical profession, are two of the activities of these future R.N.'s.

The Diary Of Anne Frank

The Diary of Anne Frank, the annual school play, was presented on November 22, 23, and 24th.

This is the real life dramatization of a Jewish family forced to take refuge in the abandoned half of an old office building because of the Nazis persecution of the Jews. The Frank family was joined by another Dutch family, the Van Daan's and their son Peter, and by Mr. Dussel, a dentist. Friends on the outside provided what food, clothing and books they could spare. The group remained in their hide-out for two years, until the Nazis discovered them in 1944. It was after the raid that friends found the diary in which Anne

'Sounds of Music'

Central's Band is under the superior direction and close supervision of Mr. Gerald DePrisco. Any student who can pass the entrance examination is eligible. Activities include entertainment at all football games, concerts, assemblies and various other programs during the school year.

The chief duties of the Orchestra, under Mr. Donald Noble's direction, is playing for the operetta, senior play, annual spring concert and assembly programs.

The Band and Orchestra meet daily for rehearsals and are entitled to half credit per year. Membership is open to any student who is technically equipped to perform the music of above organizations.

The mixed chorus is a very carefully picked group. Competition during tryouts is very challenging. Along with the Orchestra, the Chorus presents an outstanding operetta each spring, this year being, "The Music Man." This group is also called upon many times to entertain for organizations in Toledo.

Monograms are awarded to those who have served at least one year in Band, Orchestra or Chorus. For outstanding work, gold monograms are given. Others receive silver ones. Letters are awarded to Band members after two years of participation in all Band activities.

'The Music Man'

Curtains rose once again at the State Theater as Central presented Meredith Wilson's, "Music Man," as its annual Operetta. Under the direction of Mr. Gerald DePrisco and Mrs. Eve Weiher, the Music Department staged the show of five nights, April 10, 11, 12, 17, and 18.

"But he doesn't know the territory!"

The story concerned a fast-talking salesman, "Professor" Harold Hill (Tony Pantoja), who knew nothing about music. He was out to sell the people of River City a brass band, uniforms, instruments and lessons.

The town was highly interested, all except Marion Paroo (Elaine Matuszak), the town librarian and piano teacher. Marian completely ignored his advances and turned a deaf ear to his schemes—musical or otherwise. Yet he wouldn't give up. He persuaded Marian's mother (Sue Kordowski) to allow her shy son to join the boys' band.

Still another obstacle hindered his musical career. The irksome Mayor Shinn (Walter Snider) insisted on seeing his credentials. The professor, with the help of the town's newly-formed quartet, managed to evade the issue.

Professor Hill's career came to an abrupt end when an irate fellow salesman arrived in town to expose Harold's scheme.

In the end the town's integrity captivated Harold and reformed him. He fell in love with Marian and decided to stay. The townspeople, overjoyed at the sight of the band in glorious uniforms, forgave him and took him to their hearts.

Queens Bring Fame To Central

Central's candidate for the 1964 Toledo Area Student Council Queen was Miss Mary Jane Robakowski. Midge is the secretary of Central's Student Council. Other girls nominated for the honor were: Linda Fox, Janet Heil, Nancy Kaifas, Elaine Matuszek and Jean Oravec.

TASC Queen Candidate — Midge Robakowski

Homecoming Queen — Sue Dombrowski

Representing Central as the 1963-64 Homecoming Queen was Miss Suzanne Dombrowski. Miss Dombrowski was chosen by the Student Body because of her poise, beauty, and leadership in many activities sponsored by Central. Members of her court were: Linda Fox, Nancy Kaifas, Mary Jane Robakowski, and Sharon Szollosi.

Atmosphere Of The East

Dominates Annual Junior-Senior Prom

The musical enchantment of the Orient was chosen as the theme for this year's prom held on May 8, 1964 at the Naval Armory. Students danced to the music provided by Jim Elliot and his orchestra. The annual formal affair was planned by the Junior class under the direction of Roy Harley and Sue Zalenski. With the guid-

ance of their class moderators, Father Campion and Miss Wozny, this event proved successful.

To help interested students face the eternal question, "What to wear on that big night?", the Juniors presented a Prom Preview. Fellow students modeled the latest fashions to be worn on that special occasion.

Mary's Day At Central

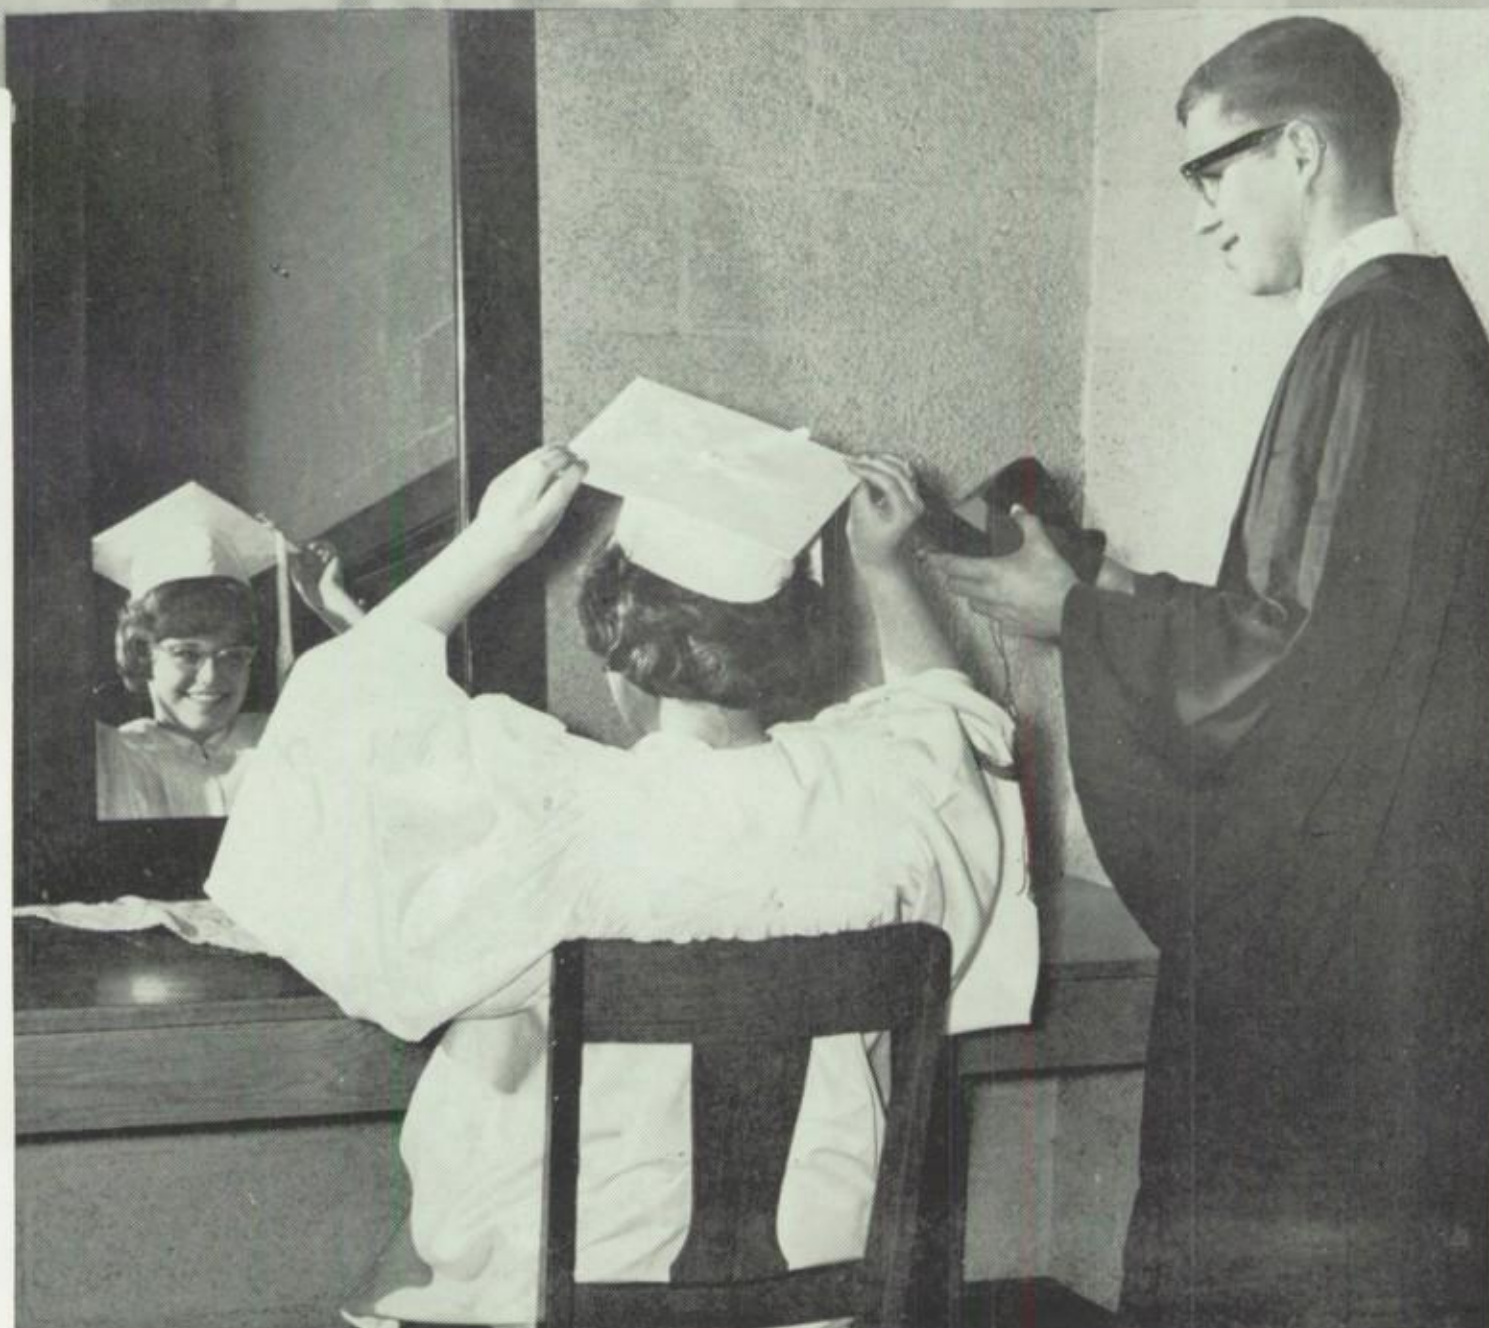

"On this day, O beautiful Mother, on this day we gave thee our love by the recitation of the Rosary, the saying of your litany, a sermon, and the singing of the *Ave Maria* by the Glee Club."

We climaxed your program when Janice Gorajewski and Richard Boellner, in our names, crowned you not only Queen of the May but also Queen of Central.

Main event of the May Convocation is the crowning of Mary by R. Boellner and J. Gorajewski

Senior's Dream

The senior's dream is that Sunday afternoon, June 7, 1964, when they will walk down the aisle of the Sports Arena, climaxing four wonderful years. They will be sad but also happy and proud for they will be the privileged students who were able to attend and to graduate from Central Catholic High School.

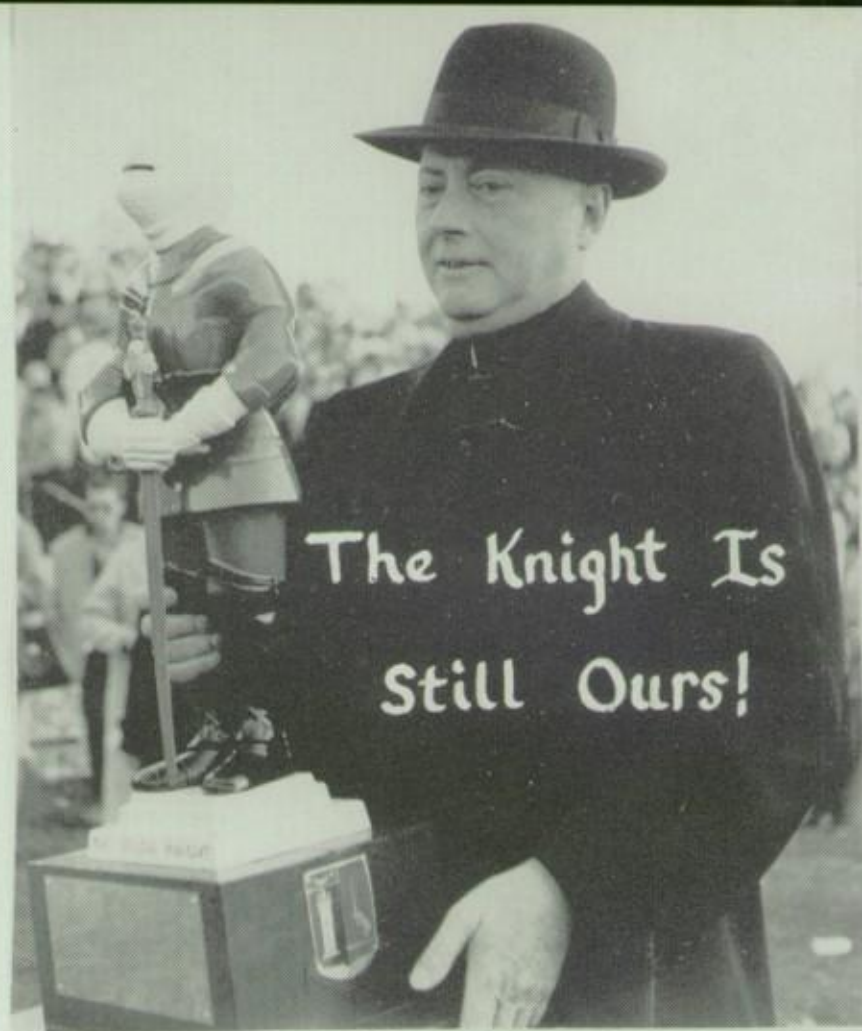

Honor students (C. Walker and J. Lewandowski) prepare for commencement exercises.

What a wonderful Open World

Have you noticed schools like this on your travels? Probably, because new buildings are springing up everywhere. They are beautiful and functional structures with large glass areas to create an "open-world" atmosphere to eliminate the feeling of being boxed in.

Wherever you live, work, shop or travel, you'll find L-O-F Glass making it more enjoyable. In homes, motels, schools and stores. In offices and factories. In hospitals and churches. In cars, buses, trains and planes.

There's an L-O-F Glass that insulates windows. It's called *Thermopane*® insulating glass. Another subdues sun heat and glare. L-O-F Glass that makes automobiles safer. L-O-F Glass to do a thousand things.

And when anyone needs glass, there's an authority on it nearby—your local independent L-O-F Glass Distributor or Dealer. His name is in the telephone book Yellow Pages under "Glass". Call him.

Laboratories, shops and studyrooms are separated from twin classroom buildings by a broad, central court, Ithaca Senior High School, Ithaca, N.Y. Architects: Perkins & Will, White Plains, N.Y.

**Libbey's
famous
"Safedge"
Guarantee**

... first made in 1924

In 1924 Libbey—a division of Owens-Illinois—perfected a unique fire process for safeguarding the rims of fine glassware.

They called this glassware "Safedge"—and to prove the process was as good as claimed, they backed it with the most dramatic guarantee in glass history:

"If any 'Safedge' glass becomes chipped on the rim, from any cause whatsoever, it will be replaced free of cost." This offer, of course, still stands.

Today, Libbey "Everyday Crystal" with the famous "Safedge" guarantee graces even the finest tables, yet sells at low prices.

Conclusion

As we glance at this lonely picture we can almost hear laughter echoing in your corridors, for you, Central, meant happiness for us. During these four short years you have given us love, security, guidance, and a goal to reach. You have instilled in us a desire to uphold your high ideals; to make use of your opportunities; and to appreciate our Catholic faith. For all this we give our thanks, and we promise to repay you by fashioning our lives after your Christian example.
